

Debra Leipman Yale Memorial Fund Donation Form

The Debra Leipman Yale Memorial Fund (DLYMF) honors the life and memory of Debra Leipman Yale, devoted wife of David and loving mother of Cameron, Jared and Griffin. A long-time resident of Armonk, NY, and the Byram Hills Central School District, Debra worked tirelessly to enhance education for all children in her community.

For more than five years (2004 – 09), Debra served on the board of the Byram Hills Education Foundation (BHEF), including two years as its Chairman. During Debra’s tenure, the BHEF granted more than \$1.4 million to the schools in her community. To honor Debra’s legacy with the BHEF and her commitment to education in Byram Hills, funds from the DLYMF will be used for grants awarded by the BHEF to the Byram Hills Central School District.

Donors will receive a letter of acknowledgement, and the BHEF will notify the Yale family when a donation has been received. The Foundation wishes to thank David Yale and family for selecting the BHEF to honor Debra’s memory and legacy of commitment to education and her community.
